BMW: M5

Add to My shots

Published on 1st November 2017 | Issue 173 @shotscreative

It can be hard to make a standout car commercial, yet **Jung von Matt** proves it can be done.

This stylistic spot from **Philippe André** follows a BMW M5 car as it journeys through deserted landscapes, passing a band of wild horses, to reach the showroom stage, proving its capable of reaching top speeds, while remaining stylish throughout.
