AdChoices

Dell and advertising agency Y&R from New York have released this cute video commercial.

The video features Billy and his friend Charlotte. They both loved gazing at the stars. However, when she moved to the big city, its lights covered the beauty of the sky. Therefore, Billy is willing to help her. See how he uses the latest technology to capture natural wonder and brings it to his beloved friend.

Watch the video and share your opinion about it with us.
